Subject: New Notice - Quality Building Stone Co. - Italian Tan - S/007/038

Mr. Dykman:

We received a new notice from Quality Building Stone for their "Italian Tan" project in Carbon County.
This project is located in:
NE1/4 NE1/4, Section 14, T13S, R9E.

The UTM's show: 510,808 E - 4,394,398 N.

You should be aware that this proposed project is located adjacent to the Martin-Brown/Wilford #2 project which was proposed in October 2002. There were skeleton remains located at that site and the site has never received clearance for operations to commence. The operator is now moving a short distance away from that site.

I will also fax a copy of the notice and map to you.

Thank you for your review of this proposal within the established timeframe.

Joelle
